

BRAND NEW SMALL SHIPPING CONTAINERS FOR SALE OR HIRE

Our brand new range of small shipping containers come complete with circulation vents, lockable front cargo doors and forklift pockets.

Small shipping containers have a variety of residential, commercial and industrial applications. They are commonly used as tool and equipment stores, portable workshops and/or machinery housing due to their durable, modular and secure nature.

Small shipping containers can be moved easily with a standard forklift and stacked ontop of each other to save space.

Small shipping containers can be stored or transported within other containers.

Dimensions Available

Small shipping containers are available in 6, 8 and 10 foot varieties. 10 foot containers can also be purchased in a set of 2 adjoined. There are several modifications available that can enhance the functionality of your container.
